BREEDERS AWARDS

The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based award. Only breeders of horses finishing in positions 1 through 5 in the NYSS racing program will benefit from the Breeders Awards program. Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

ELIGIBILITY FOR Breeders AWARD

It shall be the breeder's responsibility to ensure accurate records are maintained and filed with the Fund for all broodmares. Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. The recipient of any Breeders Award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into Sire Stakes events in order for a Breeders Award to be paid.

Each year, mare owners are responsible for filing a "Residency Declaration/Arrival Form—Form A" when a mare enters the state, or at the beginning of the year if she is a year-round resident, and a "Mare Departure/180-Day Declaration of Residency Form—Form B" when the mare leaves the state, or at the end of the year if she is a year-round resident. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

PAYMENT OF Breeders AWARDS

Breeders Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

SPECIAL MARE SITUATIONS

EMBRYO TRANSFER MARES—TRANSFERRING RESIDENCY

Residency can begin on the date the donor mare enters the state and may be transferred to the recipient mare after a request in writing is submitted and approved by the Fund. Approval will be based on verification that the New York residency period of the donor and recipient mare is overlapping such that the requirement of a contiguous 180 days of residency within New York State is met. In addition, the following applies:

- a. The embryo flush from the donor mare must occur in New York State. Means of identifying the recipient mare must be provided to the Fund so inspection may be made.
- b. All residency forms for the donor and recipient mare must be submitted as regularly required by the Fund, including arrival and departure forms for each mare.
- c. Donor mare must be bred in New York State to a New York-registered stallion and follow all rules and conditions of eligibility.

LEAVE OF ABSENCE FOR PUBLIC AUCTION

An in-foal broodmare may, upon written request to the Fund and proof of consignment into a public auction, be granted permission for a "leave of absence" to leave the state for a bloodstock sale. If returned to the state in compliance with these leave of absence guidelines, she will be able to maintain her residency status for the year if all other residency requirements are met.

Once granted approval, the mare may leave New York up to five days before the commencement of the sale and stay for the duration of the sale, but must return to New York State within five days of the conclusion of the sale. All applicable forms for departure and arrival of the mare must be filed with the Fund.

AWARDS FAQ

What is the NYSS Breeders Awards Program?

The Breeders Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program. Breeders Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

AWARDS FAQ

Who is eligible to receive a Breeders Award?

Eligible recipients of a Breeders Award are individuals or entities who have bred a mare who resided in New York State for at least 180 consecutive days during the breeding year and whose progeny race in at least one New York Sire Stakes program event as a 2- or 3-year-old and finish in positions one through five. The 180-day period must be met within the calendar year and be inclusive of conception. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

Do I have to fill out a special form to be eligible for a Breeders Award?

If you wish to be eligible for a Breeders Award, you will be required to fill out a "Residency Declaration/Arrival Form—Form A" and a "Mare Departure/180-Day Declaration of Residency Form—Form B" to certify your mare was a New York State resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within New York State, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Mare owners wishing to receive special permissions from the Fund under the provisions for embryo transfer or leave of absence for public auction should contact the Fund as soon as plans for an embryo transfer are made or upon consignment into a public auction, respectively. The mare owner is responsible for getting approval from the Fund before proceeding and submitting forms each time a mare enters and leaves the state.

AWARDS FAQ

Is there a timeframe for when the forms are due to the Fund?

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program.

The Residency Declaration/Arrival Form—Form A must be mailed or faxed to the Fund with a postmark or fax date within 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form—Form B must be mailed or faxed to the Fund with a postmark within 30 days of departure. These forms cannot be postdated. If the mare is in the state for more than 180 days, her paperwork should reflect the actual dates of her residency, not just the required number of days. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of an emergency leave and return.

I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form—Form A when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form—Form B to certify that your mare was a resident in New York State for the continuous 180-day period, even if she is in New York year-round. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

2022 RACING REVIEW

New York State produced a Hambletonian champion, two millionaires and three National award winners in 2022

Cool Papa Bell

Test Of Faith - Lisa Photo

Twin B Joe Fresh

BY TIM BOJARSKI

It was another stellar year for trotters and pacers bred in New York State as the names of those progeny dotted North American headlines throughout the 2022 racing season. From winning the biggest stakes on the Grand Circuit to becoming stars in the New York Sire Stakes, these horses have competed and won at the highest levels of the industry and continue to prove the effectiveness of the Standardbred breeding program in the Empire State.

With so many starters who have made an impact on the scene this past year, here is a look at just a few who have really excelled at all age levels.

Probably the strongest group of New York-breds racing in 2022 where one the 3-year-old trotters and one in particular made history.

Cool Papa Bell (Chapter Seven-Bik Thai Optional 1:51.3, \$1,026,799) easily won two New York Sire Stake events before finishing third at 20-1 in his Hambletonian elimination in July. That won him a spot in the \$1 million final the following week where he was sent off as the third longest shot in the race (52-1). Despite the cold shoulder from the betting public, Cool Papa Bell rallied late to beat fellow New York-bred Joviality S to win the storied stake. A month later, Cool Papa Bell won the \$200,000 NYSS final, then finished third in the \$430,000 Kentucky Futurity and fourth in the \$600,000 Breeders Crown to complete his season.

His six wins and \$893,025 in purses last year made Cool Papa Bell a career millionaire, the third richest 3-year-old trotter in North America in 2022 and earned him the Dan Patch Award as 3-year-old male Trotter of the Year.

Joviality S (Chapter Seven-Pasithea Face S 1:50.2, \$1,978,983), who finished second to Cool Papa Bell in the Hambo and was the only filly in that race, put together a landmark year for herself as well. The 2-year-old Breeders Crown champion came back better at three as she swept

the NYSS to become a two-time state champion. She also won \$280,904 Yonkers Trot (the first filly to win that stake since 1996), \$100,000 Del Miller Memorial, \$187,500 Empire Breeders Classic and the \$250,000 Delmonica Hanover. She ended the year finishing second in the \$276,000 Kentucky Futurity by a mere neck and third in the \$675,000 Breeders Crown, both times as the post time favorite.

Joviality S became the second state-bred millionaire of 2022 and her earnings of \$1,083,642 made her the richest trotter of any age or gender in North America this year. Her lifetime mark of 1:50.2 also saw her become the fifth fastest 3-year-old trotter in North America and her overall body of work earned her Dan Patch Award accolades as the 3-year-old female Trotter of the Year.

A total of six New York-breds started in the Hambletonian eliminations last year as Cool Papa Bell and Joviality S were joined by Slay (Chapter Seven-Swinging Royalty 1:51, \$699,276), who finished as the fourth richest 3-year-old male trotter in North America in 2022 (\$585,497), Molotov Cocktail (Chapter Seven-Moonlight Cocktail 1:52.2, \$428,902), Justice (Chapter Seven-Religious 1:50.2, \$360,130) and Branded By Lindy (Chapter Seven-The Lindy Label 1:50.3, \$561,570).

There were also some outstanding 3-year-olds on the pace last year as well, led by Pleaseletmeknow and Just Divine.

Pleaseletmeknow (American Ideal-I Said Please 1:50.3, \$554,900) won three divisions of the NYSS and as well as the \$200,000 final, and the gelding also won the \$261,730 Messenger Stake. Amidst an uber-tough group of sophomore pacers this year, Pleaseletmeknow finished the year tenth for North American earnings (\$429,353) and seventh overall amongst his male peers.

Just Divine (Huntsville-Divine Caroline 1:49.3, \$409,712) started her year slow but finished it strong as she rated highly with the best of her 2022 class. She won the \$200,000 NYSS

2022 RACING REVIEW

Twin B Joe Fresh - Amanda Stephens

final in September, setting a new lifetime mark of 1:49.3 in the process. Then three weeks later she finished second to Sea Silk in 1:50.1 in an elimination of the Jugette and followed that up the same day with a valiant first-over effort in the \$205,100 final that saw her come up just short at the wire to the winning Treacherous Dragon, who later was named the Dan Patch 3-year-old Pacing Filly of the Year.

Just Divine ended the year as the tenth richest (\$257,738) and eighth fastest (1:49.3) 3-year-old pacing filly in North America.

New York's freshman crop of Standardbreds showed many bright prospects and future stars on both the pace and the trot.

After starting her year with a win in the \$47,975 Geers Stake, Twin B Joe Fresh (Roll With Joe-Fresh Breeze 1:48.4, \$598,162) won two legs and the \$200,000 final of the NYSS and one leg and the \$400,000 final of the Kentucky Championship Series at the Red Mile, pacing those two miles in lifetime best 1:48.4 and 1:49.2 respectively. She then won back-to-back legs of the International Stallion Series to close out her season on a four race win streak.

Twin B Joe Fresh ended the year as the fastest (1:48.4) and third richest (\$598,162) 2-year-old pacer regardless of gender in North America.

Vivian's Dream (American Ideal-Sports Chic 1:50.4, \$439,770) was dominant during the year, winning six legs of the NYSS before getting beaten by Twin B Joe Fresh in the final. But she later closed out her year on a high note by winning the \$156,500 Matron Stake and then finishing a close second in the \$428,000 Three Diamonds. Those successes made her the fifth richest 2-year-old pacer in North America (\$439,770).

American Fling (American Ideal-Feeling You 1:50.2, \$248,040) was a four-leg winner before claiming the final and title of NYSS champion. Her NYSS earnings of \$237,445 accounted for the bulk of her overall total bank of \$248,040 picked up in 2022.

On the trot, Kayleigh S (Chapter Seven-Pasithea Face S 1:55.4, \$279,867) won three NYSS legs before winning that final in a lifetime-best 1:55.4. She followed that victory up with a narrowly-beaten second in the \$240,000 Kentuckiana Stallion Stake after cutting the entire mile from post 10, only to come up a head short.

These horses will definitely make a mark on the sport next year as some of the top 3-year-olds in North America in 2023. But it's also important to note the success that New York-breds have had as aged competitors as well, and there are no better two examples to have come out of New York than Test Of Faith and Atlanta.

Test Of Faith (Art Major-Cannae Cammie 1:47, \$2,389,782) was named the Dan Patch 3-year-old Pacing Filly of the Year as well as overall Horse of the Year for 2021, and was only the fourth 3-year-old female pacer in history to achieve that title. And as good as she was at two and three, her first year racing as an older mare showed no signs of letting up.

Her major victories in 2022 included the \$242,550 Roses Are Red, \$125,000 Graduate, \$172,500 Milton, \$250,000 Dayton Distaff Derby before coming up only a head shy of winning the \$400,000 Breeders Crown in a fast closing :26.2 final quarter. When she won the \$175,000 Dorothy Haughton Memorial in 1:47 at the Meadowlands in July, she not only took a new lifetime mark, she also set a new world record for 4-year-old pacing mares. It was also the fifth fastest mile paced in North America all year.

Test Of Faith's 11 wins and \$820,043 in earnings in 2022 earned her another Dan Patch trophy, this time for being the older Pacing Mare of the Year. Those earnings also placed her as the highest money-winning pacing mare in North America.

To this point, her list of accomplishments and awards would fill a volume and entering 2022 as a 7-year-old did not dissuade Atlanta (Chapter Seven-Hemi Blue Chip 1:49, \$3,533,707) from putting up more stellar numbers and outstanding performances before hanging up her harness for the last time. After she became the 14th filly to win the Hambletonian in 2018, Atlanta has raced at the highest levels against all comers and proved to be a tough out every week.

Atlanta's final year of competition saw her win six out of 15 starts and just under one-half million in purses. Her \$433,105 bankrolled placed Atlanta seventh among all older North American trotters last year. And after she turned in a swift 1:50 season's best performance at the Meadowlands in July, clearly age did not slow her down either as that was the third fastest trotting mile among all aged North American contestants in 2022.

Atlanta ended her career with 37 wins and 64 board hits from 78 total lifetime starts with earnings of \$3,533,707, putting her in elite company with the likes of the legendary trotting mares Moni Maker, Bee A Magician, Manchego and Hannelore Hanover.

The success of these horses started with breeding to quality stallions standing in New York who annually are at or near the top of the leaderboard in North America. Horses like American Ideal (\$17,225,526 total progeny earnings in 2022), Chapter Seven (\$12,836,002), Roll with Joe (\$6,949,107) and Huntsville (\$6,527,898) have proven once again that breeding in New York today produces high caliber races horses for tomorrow.

2023 MEMBERSHIP DRIVE

To: Drivers, Trainers and Owners,

Our annual Membership Drive is underway and now is the perfect time for you to join or renew your SOA of NY membership.

The SOA of NY negotiates contracts (4-year contract August 2021) and holds regular meetings with track management, administers a retirement and welfare program and proactively represents all your interests in Albany, which today is of the utmost importance. We continue to work with MGM Yonkers regarding the facility and track condition and will once again work hard to protect the interests of all our members. What unites us all is the desire to continue and preserve the revitalization of the harness horse racing industry in New York State.

Please renew your membership today and remember that all drivers, trainers and owners (all owners of a corporation must be a member) on every horse must be an active member to receive the benefit. Effective September 11, 2021, the Board of Directors increased the Sulky benefit from **\$3000 to \$4500**. Please review the enclosed application. The **3-year membership for \$75** is a great deal, otherwise, the 1-year membership is \$35. A postage paid return envelope is included for your convenience or you can apply online at: <http://www.soaofny.com/membership>

Please **print clearly** all the necessary information on the renewal form. These are needed in the event time sensitive information needs to be communicated to you.

If you have any questions, please contact our office Monday thru Friday from 9:30am – 4pm at 914-968-3599 or see Jimmy Marohn Sr. at the track.

Thank you and good luck racing at Yonkers Raceway in 2023!!

Two-year-olds in 2022 and Three-year-olds in 2023

Two- and three-year old events will be raced in separate colt and filly divisions.

Payments:

Any payment due dates that fall on a weekend or a holiday will automatically become due on the next regular business day. All dates are postmark dates.

Nomination Fee:

May 15, 2021 \$50

Future Sire Stakes Payments:

As 2-year-olds

February 15, 2022 \$200

April 15, 2022 (Specify Gait) \$350

As 3-year-olds

February 15, 2023 \$250

April 15, 2023 (Specify Gait) \$450

Declaration Fee:

In all events at each track is two percent (2%) of the total amount of the purse raced for, increased upwards to the nearest multiple of \$100. All declaration fees will be added to the event to which declared. Starters declare in at each track at the time that is the practice for overnight events at that track. The declaration fee for each final event is to be announced. There will be no refunds for horses scratched from any Sire Stakes event.

Supplementary Entries:

May be made to this stake on foals of 2020 upon payment of \$500 by February 15, 2022, in lieu of the May 15, 2021 nomination fee of \$50. If the regular February 15, 2022 payment is made on time, but the horse was not nominated as a yearling, the Fund may, at its discretion, accept the supplementary fee upon notification of the individual making the payment. All other payments must be made as regularly required. A 2-year-old which makes the May 15, 2021 nomination payment, but fails to make the first sustaining payment to New York Sire Stakes (NYSS) No. 62 may regain eligibility for the 3-year-old season by payment of a penalty of \$1,100 providing such payment is made on or before April 15, 2022. Such horse will not be eligible to participate in NYSS No. 62 2-year-old events, but will be eligible to participate in NYSS No. 62 3-year-old events, provided that all payments to those events are made in a timely manner. All supplementary payments will be allocated as provided for in the case of regular continuation payments.

Yearling Eligibility:

Each eligible must satisfy the following requirements:

- (1) Sired by an eligible stallion (see Stallion Eligibility) registered to the Fund and standing in New York for the full season of service during which the dam was bred to produce such colt or filly.
- (2) The owner of the dam need not be a resident of New York State and foaling need not be in New York State.
- (3) Proof of registration by the USTA, or by a USTA recognized Standardbred registry organization dated on or before the time of nomination must accompany each nomination.
- (4) The foal of any mare which is inseminated by semen transported outside of New York State will be ineligible for nomination to any New York- bred events.

- (5) For a foal to be nominated to these New York events, it must be the first foal born to the dam for the given year, and its sire must be a New York eligible stallion. The only exception will be in the case of same birth twins. To be eligible, a twin status must be indicated on the USTA registration certificates for the individuals in question.

Stallion Eligibility:

Eligible Stallions are those stallions:

- (1) Owned by a resident of New York State and standing the entire stud season in New York State, or
- (2) Owned by a resident of a state other than New York but standing the entire stud season in New York State and leased (copy of lease must be filed with the Fund) by a resident of New York State for a term of not less than one year, or
- (3) Owned jointly by a resident or residents of a state other than New York State together with a resident or residents of New York State and standing the entire stud season in New York State with the same leasing requirements as (2).
- (4) To be eligible, a stallion must be registered with the Fund no later than January 1, of the year he will stand stud.

Future Eligibility:

The February 15, 2022 payment must be made to race in 2022 or future years. The April 15, 2022 payment must be made to race as a 2-year-old in Sire Stakes. The February and April 2022 payments must be made to race as a 3-year-old in Sire Stakes.

Payment Distribution:

Fifty dollars from each nomination fee and thirty dollars from each 2- and 3-year-old payment will be retained to defray a portion of the expenses for managing, advertising, promoting and publicizing these New York-bred harness horse races.

- (1) All 2- and 3-year-old staking fees available each year will be divided equally among all scheduled events, and will be added to the purses and distributed as follows:
 - (a) the 2- and 3-year-old February 15 fees will be divided equally between trot and pace divisions for colts and equally between trot and pace divisions for fillies.
 - (b) the 2- and 3-year-old April 15 payment will follow the horse by sex and gait.
- (2) New York Sire Stakes Fund monies will be divided each year in accordance with ratios established by the Fund.

Racing Conditions:

- (1) Each race to be held in one dash at one mile.
- (2) A NYSS final or consolation race, if scheduled, for 2- and 3-year-olds who participated in NYSS No. 62. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 62 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation).

NEW YORK SIRE STAKES NO. 62 FOR 2- AND 3-YEAR-OLD PACERS & TROTTERS

Recalls – recalls in a NYSS race would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word “go” is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.

- (3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts (two or more starts if five or fewer legs scheduled), on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.
- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 62, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs (at least two legs if five or fewer legs scheduled) to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts (at least two starts if five or fewer legs scheduled) to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund’s discretion. There shall be no consolation race scheduled if less than 4 horses are entered.
- (7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.
- (8) No horse is eligible to declare in a NYSS event unless it meets the following:

(a) at least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks	7/8 mile or larger Tracks

A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purpose of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. (13) **Cancellation:** Should circumstances prevent the racing of any Sire Stakes event, the monies and points will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start.

Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation races, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(14) All questions of ELIGIBILITY will be decided by the Fund and the NYSGC.

Recalls – recalls in Excelsior Series races would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word "go" is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.
- (3) Excelsior Series races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (4) All owner and then trainer entries must be split into different divisions if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts, on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for Excelsior final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.

NEW YORK EXCELSIOR SERIES

2023 CONDITIONS PENDING APPROVAL FROM THE FUND

(5) Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner/ trainer conflict as provided in 4 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered unless reduced pursuant to 5 above, at the Fund's discretion. There shall be no Excelsior consolation races scheduled if less than 4 horses are entered.

(6) Trailers will not be permitted to start in any Excelsior Series events.

(7) In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry. All final and consolation races if scheduled, will race for an announced purse to be determined by the Fund.

(8) No horse is eligible to declare in an Excelsior Series event unless it meets the following standards:

(a) At least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile tracks 7/8 mile or larger tracks

2 YO 2:06	PACERS	2 YO 2:04
3 YO 2:02		3 YO 2:00
2 YO 2:09	TROTTERS	2 YO 2:07
3 YO 2:07		3 YO 2:05

Add 7 seconds to the times above to get a mile and 1/16 equivalent. Chaired track allowances may be used to meet the time standards.

(b) and, the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent Excelsior Series qualifying time, without a break, before being entered in an Excelsior Series event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.

(9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least 30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.

(10) Race Day Testing: All horses competing in any Excelsior Series event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. When a horse tests positive for an impermissible substance and/ or the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred: (a) Said horse shall be disqualified from any purse winnings in the race in question, and said purse monies shall be redistributed. (b) Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation. (c) Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty. The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.

(11) Out-of-Competition Testing: Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purpose of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

NEW YORK EXCELSIOR SERIES

2023 CONDITIONS PENDING APPROVAL FROM THE FUND

(12) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(13) Cancellation: Should circumstances prevent the racing of any Excelsior Series races, with the exception of the finals, or consolation race, (if scheduled), the monies and points will be prorated among owners of entered horses on the grounds for the un-contested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event of Excelsior Series will also count as a start for the Excelsior Series final or consolation, if scheduled, for the horses declared in. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation, if scheduled, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state. (

14) All questions of ELIGIBILITY will be decided by the Fund and the New York State Gaming Commission

15) When an owner has outstanding debts owed to any track or the Fund, every horse owned in whole or part by that owner may be subject to be declared ineligible by the Fund or any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stakes Race, including County Fair Races, until such time that debt and all fees are collected.

(16) If an owner or trainer has a horse eligible to an Excelsior Series Final and also any NYSS final or consolation or County Fair final, then the owner or trainer must choose which final to declare into. A horse may only race in one final event. If the horse is scratched from a final or consolation, it will be ineligible to enter in another final event.
