

New York-Sired Horses Shine in Indiana

Devil Child and Tim Tetrick kicked-off the stakes action for the evening in a big kind of way in the \$101,000 USS Indianapolis Memorial Pace for three-year-old pacing fillies. With a final time of 1:50.3, Devil Child scored her second consecutive victory and re-established a seventeen year-old track record at Hoosier Park with the win. The previous mark of 1:50.4 was established by Galleria and George Brennan in 1998.

Trained by Chris Oakes, Devil Child sat patiently along the rail in third through fractions of :26.4, :55.2, and 1:23 before angling out for racing room turning for home. Recording a :27 final quarter, the daughter of [American Ideal](#)-Kattimon coasted to the wire three-lengths in front of the pace-setting Sassa Hanover and Matt Kakaley. Devil Child recorded her sixth seasonal win from 20 outings for owners Susan Oakes and Crawford Farms, LLC.

Crazy Wow posted a slight upset, at 6-1, winning the Erskine over Homicide Hunter and Pinkman.

Two races later, Crazy Wow and Tim Tetrick pulled the slight 6-1 upset in the \$270,000 Carl Erskine Trot for three-year-old colt and gelding trotters scoring in 1:54. The 2015 Hambletonian winning Pinkman was heavily favored at the betting windows and dictated early fractions of :27.2, :57, and 1:25.3 before succumbing to the long Hoosier Park stretch. Tetrick had Crazy Wow well placed turning for home and the three-year-old colt did the rest.

It was the eighth win of the season for the son of [Crazed](#)-No Pan No Gan who is trained by Ron Burke and also the fourth win of the night for Tetrick. Owned by Our Horse Cents Stable, JT45, J&T Silva Stable and Deo Volente Farms, Crazy Wow has now earned \$905,837 this season.
