

Zeron takes three NYSS events at Monticello Raceway

by Shawn Wiles, for Monticello Raceway

Monticello, NY---On Monday (June 6) at Monticello Raceway Scot Zeron won 3 NYSS events featuring 3 Year Old Pacing Colts on an afternoon when being on the front end meant almost certain defeat. Seven of the afternoon's 13 race were won by the horse sitting the pocket at the top to the stretch.

Talk Show was a perfect example of this, Missile J left strong from outside in race 2 (PP7) and was used hard, not getting the lead until past the quarter for driver Tim Tetrick, once he gained the front Talk Show was content to sit the pocket and brush past Missile J (LQ 27.1) to score in 1:53.3.

The son of [Art Major](#) – Lush Limbaugh is trained by Steve Elliot for owners Talk Show Partners LLC. It was Scott Zeron's first of 3 wins on the afternoon's card.
