In accordance with Section 2824-a of PAL, the Agriculture and New York State Horse Breeding Development Fund (the fund) hereby reports its measurement of the Fund's performance and achievement of its mission during the 2017 year.

Measurements:

1) Promote agriculture through breeding of standardbred horses -
   Monies provided to Breeders Awards - $ 1,099,983
   Monies provided to Race Purses - $ 14,374,200
   Monies provided to Equine Education - $ 145,000

2) Promote Equine Research
   Monies provided to Harry M. Zweig Grant - $ 306,953

Using the above measurements the Fund is satisfied that it has fulfilled its mission statement for the year 2017.
