What is RUS?

Also known as Monte Racing, RUS is a hybrid between harness and thoroughbred racing. RUS is an exciting part of international Standardbred racing and is conducted daily at most European tracks as part of their regular pari-mutuel wagering programs. The sport has seen a surge in popularity in the U.S. but has yet become a wagering event.

To learn more about this emerging sport, visit rus-newyork.com. Come see what the excitement is all about!

WE HOPE TO SEE YOU THERE!

(3) All horses must have been nominated as a yearling ($50 fee) to the New
York Sire Stakes (NYSS) in order to be eligible for any New York-bred event,

the horse was not nominated as a yearling. The fee is $50, payable no later
than March 1, 2018 for 2-year-olds and 3-year-olds in 2018. This payment
must be made in addition to the regular fair nomination fee. This does
not affect any other eligibility, such as Sire Stakes or Excelsior races. This
supplementary payment is for NYSS County Fair races only.

(4) Eligibility: To be eligible to these events, each horse must satisfy the
following requirements:

(a) Sired by an eligible stallion (see section 5) enrolled with the Fund and
standing in New York State for the full season of service when the dam
was bred to produce such colt or filly.

(b) The owner of the dam need not be a resident of New York State, and
foaling need not take place in New York.

(6) Eligibility must be certified to the Fund.

(7) On all county fair tracks which can accommodate eight horses in the first
tier behind the starting gate, when more than eight horses are declared in,
the race will be run in divisions in single dashes at one mile. On all other
county fair tracks, when more than six horses are declared in, the race will
be run in divisions in single dashes at one mile. If eight (8) or fewer horses
declare on tracks which can accommodate eight horses in the first tier, or
six (6) or fewer horses on all other tracks declare in, the race shall be raced
at one mile each.

(8) On tracks that can accommodate less than eight horses in the first tier, four
horses will start in the first tier and two horses will start in the second tier.

(9) County Fair events will be divided into divisions in a manner that ensures
fields of equal size. When the number of horses entered into an event does
not divide equally, the fields will not vary in size by more than one horse.

(10) Racing and Money Division shall be as follows for eight classes: Races shall
be held for 2- and 3-year-olds who are participating in the County Fairs.
Horses will be segregated by sex and gait in all events. Final races will be
held for each sex and gait. Divisions - Monies will be divided equally with
declaration fees following the horse in each division.

(11) In the event that more than one division is required, starters in the divisions
shall be drawn by lot, with owner entries seeded. The splitting of horses
into different divisions will be by ownership only, if possible, and no other
criteria will be used.

(12) The gait must be specified on the April 15 payment. Transfer of the gait
may be made on the April 15 payment or at time of declaration, but
sustaining payments remain in the respective funds.

(13) Three Day Box: Declarations must be made by 10AM three days prior to the
te (omitting Sundays except for Goshen). All horses must be tattooed or
freeze branded before declaring. Declaration may be made by telephone to
the race secretary. Once a horse is declared, the declaration fee is due and
payable. Declaration to Championship Events will be at the time practiced
for overnight events at the track holding the event.

(14) You may enter any fair on any given day but you can only enter one fair on
that day. If you enter 2 fairs on any given day, you will be scratched from
both fairs and subject to a fine for not honoring your declaration in addition
to both starting fees.

(15) All declaration fees will be added to the event to which declared with
payment to be made to the fair conducting the event. There will be no
refunds for scratches.

(16) Should circumstances prevent the racing of any event, the race may not be
declared off until published post time and monies will be prorated among
owners of horses on the grounds for the uncontested event at the time of
declaring off. The money will not count as money earned against the horse
and no points will be awarded but will count as a start. The race must be
held the day advertised with no carry-over.

(17) All participating horses shall be subject to tattoo, freeze brand, urine
and/or blood testing on race day basis when deemed appropriate by the
sponsor.
(18) The Fund will allocate to these New York-bred horse races an estimated $24,000 per fair participating. Of this amount, 45% will be apportioned to the two-year-old events and 55% to the three-year-old events. The two amounts will be divided equally for colts and fillies events. In addition, each participating fair will receive a proportionate share of all nomination and sustaining fees received from those eligible to these events. Purses will be made up of these Fund monies and Horseman’s fees, plus declaration fees. There will be no deduction for promotion, clerical, or other expenses.

(19) In the event that there shall be New York County Fair final race at the participating pari-mutuel tracks, eligibility thereto shall be determined under a point system.

(a) A maximum of 100 points shall be allocated for each 2- and 3-year-old race at each of the participating county fairs as follows: First – 50 points; Second – 25 points; Third – 12 points; Fourth – 8 points; Fifth – 5 points. 100 points will be given for each division. All races will be single heat events. Horses will be eligible to race one time each day.

(b) A list of such eligible horses with the total point accumulation will be furnished to the Race Secretary at the pari-mutuel track and he shall select from the list of horses from the top down until as many starters as can be drawn to post in the first tier are represented, limited to two entries from one common owner. Should there be a tie in the point standings for the final entrant, the judges will determine the final entrant by lot. Judges official order of finish will be used in determining eligibility to the Championship events exclusive of all appeals yet to be decided at time of declaration to the Championship event.

(c) Minimum starts: No horse shall be eligible to the Championship Race unless it has raced a minimum of five (5) different New York County Fairs that conduct NYSS races. Should there not be enough entries in the box with at least five starts to fill the race, the highest point earner which has entered with four starts shall be selected, etc. until there are enough entries to fill the first tier. Furthermore, any also eligible horses must have a minimum of four (4) NYSS County Fair starts.

(d) All horses that are to compete in the Championship Race must have an official charted satisfactory performance line within 45 days of declaration in order to be eligible to declare. Charted track allowances may be used to meet the time standards.

(e) Any horses for which a blood test shows the presence of any prohibited drug at any participating fair during the season will be ineligible for the county fair final.

(f) USTA Rule 21 and New York State Gaming Commission rules and regulations concerning positive drug tests will be strictly enforced.

(g) In the event of a close or disputed finish, the judge may consider a video replay of the finish if available from the representative of the Fund.

(20) If track conditions do not allow the use of a mobile starting gate, the program will be cancelled. If a starting gate is unavailable at the last moment for unforeseen reasons, a walk-up start is permissible at the discretion of the Judge. In no event will the program be allowed to start more than two hours after the published post time.

(21) All drivers, trainers and grooms must wear colors and safety helmets while warming up and racing at all county fairs.

(22) Race Day Testing: All horses competing in any County Fair Series event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing shall also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund.

Where the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:

(a) Said horse shall be disqualified from any purse winnings in the race for which it tests high, and said purse monies shall be redistributed.

(b) Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation.

(c) Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty.

The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.

(23) Out-of-Competition Testing: Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes, including the Excelsior Series and County Fair races, for the respective year that the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund.
A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(24) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Agriculture and New York State Horse Breeding Development Fund within 10 days upon receipt of the notice that they demand a hearing. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305.

(25) Cancellation: Should circumstances prevent the racing of any County Fair Series races, with the exception of the finals, or consolation race, (if scheduled), the monies and points will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event of County Fair Series will also count as a start for the County Fair Series final or consolation, if scheduled, for the horses declared in. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation, if scheduled, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(26) All questions of ELIGIBILITY will be decided by the Fund. For those races in which pari-mutuel wagering is available ELIGIBILITY will be decided by the Fund and the New York State Gaming Commission.

Rules: These events are subject to the rules of the New York State Gaming Commission and the conditions of the Agriculture and New York State Horse Breeding Development Fund

(27) When an owner has outstanding debts owed to any track, every horse owned in whole or part by that owner may be subject to be declared ineligible by any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stake Race, including Excelsior Series and County Fair Races, until such time that debt and all fees are collected.

(28) The Fund will allow counties that do not have a race track at their fair grounds to race county fair races at a horse track that is in the county. Such county fair organization must request such off-site racing by petitioning the Sire Stakes program before February 1, 2018 by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305 stating the unavailability of a track at their fairgrounds and providing a plan of how the agricultural mission as provided for in Article 3 of the Racing, Pari-Mutuel Wagering and Breeding Law, which provides in part for the Sire Stakes program, will be addressed at such off-site location.

(Part 351 of NYS Agriculture & Markets Regulations, AI-202 1/10)

RABIES VACCINATION:
Rabies vaccination is required for all horses that are 4 months of age or older on the date of admission to the fair. The vaccine must have been administered within 12 months prior to the date of arrival at the fair. The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.

ACCEPTABLE PROOF OF RABIES VACCINATION:
Acceptable proof of rabies vaccination must include a signed written statement from a Category 2 accredited veterinarian or a valid certificate of veterinary inspection that has the vaccination listed and is signed by a Category 2 accredited veterinarian. Acceptable proof of vaccination must include the name of the product used, the date of administration and the duration of immunity if longer than one year. If the statement of rabies vaccination is included on an Equine Infectious Anemia (EIA) test record, it must be signed separately, in addition to the required EIA test-record signature.

Note: Rabies titers are not acceptable proof of rabies vaccination and cannot be used to meet entry requirements.

NEGATIVE EQUINE INFECTIOUS ANEMIA (EIA) COGGINS TEST:
This test is required for all horses 6 months of age or older. The horse must be accompanied by a valid, negative EIA test record. The test must have been conducted during the current or previous calendar year for horses of New York origin. For imported horses, the test must be conducted 12 months prior to entry. The EIA test certificate must include a complete description of the horse.

HORSES OF OUT-OF-STATE ORIGIN:
All horses entering New York State from another state must be accompanied by an official Certificate of Veterinary Inspection (CVI). A CVI is not required for horses of New York origin. The interstate CVI is valid 30 days from the date of issuance. During the fair season (July 1 through Labor Day), valid CVIs can be used multiple times for entrance into fairs. The initial entrance into a fair must be within 30 days of issuance. In order for the CVI to be used for a later fair, it must be dated and initialed by a state official noting the location of the initial fair. A change of health status or a change of eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971.
