## 2020 Stallion Directory

**M. Kelly Young**  
**Executive Director**

On behalf of the Trustees of the Agriculture and New York State Horse Breeding Development Fund, I am excited to kick off the 2020 breeding season with you. We are pleased to share this Stallion Directory and all the benefits that come with choosing to breed in New York State.

It was another outstanding showing by New York-bred horses last year. New York Sire Stakes stars showed their skill on the state's seven harness tracks and across the country. A quarter of the Breeders Crown Champions were bred in New York: two-time winner Gimpanzee (3-year-old trotting colt), Winndevie (3-year-old trotting filly) and American History (open pace). In addition, the Yonkers Trot and Messenger Stakes went to New York-breds, along with some of the top events for aged horses. Horses bred in our state toppled track and world records nearly everywhere they went during a phenomenal season.

But a successful Sire Stakes program doesn't just produce big names on the biggest stages, it means you can earn big bucks at home, too. That's just what our horses did in 2019: a total of 36 horses earned more than \$100,000 in Sire Stakes action alone! The highest single earner, sophomore trotting filly Quincy Blue Chip, took home \$339,075 in Sire Stakes purses for her connections. In the Excelsior Series, the top earner was 2-year-old pacing filly Alleyesonme AS, who bankrolled \$68,750 in her series starts.

Inside this book you will find 39 stallions, 7 of them new in 2020. Breeders who choose New York not only have the backing of a strong state-bred program when marketing their yearlings, but those with resident mares have the potential for Breeders Award earnings when their youngsters perform well on the track. More than \$14.7 million was paid out in stakes purses and \$1 million in Breeders Awards for 2019.

Enjoy exploring all New York has to offer and we wish you all the best in your breeding and racing endeavors this year.

## BREEDERS AWARDS

The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based award. Only breeders of horses finishing in positions 1 through 5 in the NYSS racing program will benefit from the Breeders Awards program. Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

## ELIGIBILITY FOR BREEDERS' AWARD

It shall be the breeder's responsibility to ensure accurate records are maintained and filed with the Fund for all broodmares. Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. The recipient of any Breeders Award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into Sire Stakes events in order for a Breeders Award to be paid.

Each year, mare owners are responsible for filing a "Residency Declaration/Arrival Form—Form A" when a mare enters the state, or at the beginning of the year if she is a year-round resident, and a "Mare Departure/180-Day Declaration of Residency Form—Form B" when the mare leaves the state, or at the end of the year if she is a year-round resident. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

## PAYMENT OF BREEDERS' AWARDS

Breeders Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

## SPECIAL MARE SITUATIONS

### EMBRYO TRANSFER MARES—TRANSFERRING RESIDENCY

Residency can begin on the date the donor mare enters the state and may be transferred to the recipient mare after a request in writing is submitted and approved by the Fund. Approval will be based on verification that the New York residency period of the donor and recipient mare is overlapping such that the requirement of a contiguous 180 days of residency within New York State is met. In addition, the following applies:

- The embryo flush from the donor mare must occur in New York State. Means of identifying the recipient mare must be provided to the Fund so inspection may be made.
- All residency forms for the donor and recipient mare must be submitted as regularly required by the Fund, including arrival and departure forms for each mare.
- Donor mare must be bred in New York State to a New York-registered stallion and follow all rules and conditions of eligibility.

### LEAVE OF ABSENCE FOR PUBLIC AUCTION

An in-foal broodmare may, upon written request to the Fund and proof of consignment into a public auction, be granted permission for a "leave of absence" to leave the state for a bloodstock sale. If returned to the state in compliance with these leave of absence guidelines, she will be able to maintain her residency status for the year if all other residency requirements are met.

Once granted approval, the mare may leave New York up to five days before the commencement of the sale and stay for the duration of the sale, but must return to New York State within five days of the conclusion of the sale. All applicable forms for departure and arrival of the mare must be filed with the Fund.

## AWARDS FAQ

### *What is the NYSS Breeders' Awards Program?*

The Breeders Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program. Breeders Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

## AWARDS FAQ

### ***Who is eligible to receive a Breeders' Award?***

Eligible recipients of a Breeders Award are individuals or entities who have bred a mare who resided in New York State for at least 180 consecutive days during the breeding year and whose progeny race in at least one New York Sire Stakes program event as a 2- or 3-year-old and finish in positions one through five. The 180-day period must be met within the calendar year and be inclusive of conception. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

### ***Do I have to fill out a special form to be eligible for a Breeders' Award?***

If you wish to be eligible for a Breeders' Award, you will be required to fill out a "Residency Declaration/Arrival Form—Form A" and a "Mare Departure/180-Day Declaration of Residency Form—Form B" to certify your mare was a New York State resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within New York State, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Mare owners wishing to receive special permissions from the Fund under the provisions for embryo transfer or leave of absence for public auction should contact the Fund as soon as plans for an embryo transfer are made or upon consignment into a public auction, respectively. The mare owner is responsible for getting approval from the Fund before proceeding and submitting forms each time a mare enters and leaves the state.

## AWARDS FAQ

### ***Is there a timeframe for when the forms are due to the Fund?***

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program.

The Residency Declaration/Arrival Form—Form A must be mailed or faxed to the Fund with a postmark or fax date within 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form—Form B must be mailed or faxed to the Fund with a postmark within 30 days of departure. These forms cannot be postdated. If the mare is in the state for more than 180 days, her paperwork should reflect the actual dates of her residency, not just the required number of days. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of an emergency leave and return.

### ***I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?***

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form—Form A when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form—Form B to certify that your mare was a resident in New York State for the continuous 180-day period, even if she is in New York year-round. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

# NEW YORK SIRE STAKES NO. 61 CONDITIONS (FOALS OF 2019)

## RACING CONDITIONS:

- (1) Each race to be held in one dash at one mile.
- (2) A NYSS final or consolation race, if scheduled, for 2- and 3-year-olds who participated in NYSS No. 61. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 61 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation). Recalls – recalls in a NYSS race would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word “go” is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.
- (3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts, on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.
- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 61, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund’s discretion. There shall be no consolation race scheduled if less than 4 horses are entered.
- (7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.

- (8) No horse is eligible to declare in a NYSS event unless it meets the following:

a) at least one charted satisfactory performance line within 30 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks		7/8 mile or larger Tracks	
PACERS	2 YO 2:03 3 YO 2:00	PACERS	2 YO 2:01 3 YO 1:58
TROTTERS	2 YO 2:07 3 YO 2:05	TROTTERS	2 YO 2:05 3 YO 2:03

Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Chartist track allowances may be used to meet the time standards.

b) and, the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.

- (9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least 30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.

- 10) **Race Day Testing:** All horses competing in any NYSS No. 61 event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start.

The purse for all Excelsior "A" Series Races will be \$15,000 guaranteed \$300 declaration fee. Generally, each leg of the New York Sire Stakes (NYSS) and the Excelsior Series will be scheduled on the same day at the same track. An owner may choose which series they wish to enter and race in provided they are staked to both series, but may choose only one for each horse on that day. - (4) All owner and then trainer entries must be split into different divisions if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts, on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for Excelsior final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.

Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.

Should there not be enough entries in the box with at least five starts to fill the race, the highest point earner which has entered with four starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York County Fair event. Furthermore, any also eligible horses must have a minimum of four (4) NYSS County Fair starts.
- (d) All horses that are to compete in the Championship Race must have an official charted satisfactory performance line within 45 days of declaration in order to be eligible to declare.
- (e) If an owner or trainer has a horse eligible to a County Fair final and also any NYSS or Excelsior final or consolation, then the owner or trainer must choose which final to declare into. A horse may only race in one final event. If the horse is scratched from a final or consolation event, it will be ineligible to enter another final event. If a horse declares into a final event and is not selected or the race does not fill, it may declare into another final event that has not yet been drawn. (e) Any horses for which a blood test shows the presence of any prohibited drug at any participating fair during the season will be ineligible for the county fair final.
- (f) USTA Rule 21 and New York State Gaming Commission rules and regulations concerning positive drug tests will be strictly enforced. In the case of a disparity of between rules, the New York State Gaming Commission rules and regulations will prevail.
- (g) In the event of a close or disputed finish, the judge may consider a video replay of the finish if available from the representative of the Fund.
- (19) If track conditions do not allow the use of a mobile starting gate, the program will be cancelled. If a starting gate is unavailable at the last moment for unforeseen reasons, a walk-up start is permissible at the discretion of the Judge. In no event will the program be allowed to start more than two hours after the published post time.
- (20) All drivers, trainers and grooms must wear colors and safety helmets while warming up and racing at all county fairs.
- (21) All drivers, trainers, officials and anyone taking a horse onto the track will be subject to a breath analyzer test by a designee of the Fund. The results of the test shall be governed by USTA Rule 5.12(a). Anyone who refuses to submit to a test or whose test results detect alcohol or prohibited substances as detailed in USTA Rule 5.12 and 5.13, will be barred from handling any horse on the track for the remainder of the day.
- (22) **Race Day Testing:** All horses competing in any County Fair Series event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund.
- When a horse tests positive for an impermissible substance and/or the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:
- (a) Said horse shall be disqualified from any purse winnings in the race in question, and said purse monies shall be redistributed.
- (b) Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation.
- (c) Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty.
- The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.

# NEW YORK SIRE STAKES COUNTY FAIR 2020 – CONDITIONS

(23) **Out-of-Competition Testing:** Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes, including the Excelsior Series and County Fair races, for the respective year that the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(24) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Agriculture and New York State Horse Breeding Development Fund within 10 days upon receipt of the notice that they demand a hearing. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305.

(25) **Cancellation:** Should circumstances prevent the racing of any County Fair Series races, with the exception of the finals, or consolation race (if scheduled), a race or races may be canceled. County Fair races must be held the day advertised with no carry-over. The race may not be declared off until the published first post time. The purse money will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. Each horse on the grounds for the uncontested event at the time of declaring off will be awarded 10 points and the event will count as a start for the County Fair Series final or consolation, if scheduled. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation, if scheduled, as per the NYSGC Rule 4114.3. The final or consolation events, if scheduled, shall be held in cooperation with a licensee harness track in this state.

(26) All questions of ELIGIBILITY will be decided by the Fund. For those races in which pari-mutuel wagering is available ELIGIBILITY will be decided by the Fund and the New York State Gaming Commission.

(27) When an owner has outstanding debts owed to any track or the Fund, every horse owned in whole or part by that owner may be subject to be declared ineligible by the Fund or any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stake Race, including Excelsior Series and County Fair Races, until such time that debt and all fees are collected.

(28) The Fund will allow counties that do not have a race track at their fair grounds to race county fair races at a horse track that is in the county. Such county fair organization must request such off-site racing by petitioning the Sire Stakes program before February 1, 2020 by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305 stating the unavailability of a track at their fairgrounds and providing a plan of how the agricultural mission as provided for in Article 3 of the Racing, Pari-Mutuel Wagering and Breeding Law, which provides in part for the Sire Stakes program, will be addressed at such off-site location.

# 2020 Membership Drive

Our annual Membership Drive is now underway, and it is the perfect time for all horsemen to join or renew their membership in the SOA of New York. What unites us all is the desire to continue and preserve the revitalization of the harness horse racing industry in New York State.

The SOA negotiates a contract with track management, conducts regular meetings with management, administers a retirement and welfare program and very proactively represents all of your interests in Albany. We have partnered jointly with management to aggressively promote the Yonkers International Trot as well as the NYSS Finals and worked cooperatively with the NYS Gaming Commission to insure integrity in these important events. We continue working with our partners at Yonkers Raceway/MGM Grand. We will once again work hard to protect the interests of all of our members.

Our purpose is to promote the sport and business of harness racing, and the interests of our members, and only through a united and active membership will we be able to achieve our goals. Individually our voice is not strong, but collectively we can be a force to be recognized and the SOA of New York has been a leader in delivering that message. We need to include you as a member of our team.

The SOA of NY can now accept credit card transactions for your membership renewals. Please call the SOA office at 914-968-3599 and we will be glad to process your membership.
