A Message from Barry Sample, Trustee NYSS

York State Horse Breeding
Development Fund Trustee*

On behalf of the Trustees of the Agriculture and New York State Horse Breeding Development Fund, I am excited to share with you this 2022 Stallion Directory and all the benefits that come with choosing to breed in New York State.

We thank you all for contributing this year as New York-bred Standardbreds are coming off one of their best years ever with several horses topping North American leader lists and some ending the year with national award aspirations. The success these horses have had should be no surprise as the outstanding breeding program in the state combined with the earnings opportunities provided by the New York Sire Stakes, has drawn owners from across the industry to invest in the exceptional New York yearlings that go to auction each year. With the eagerness to return to our usual schedule, the program was able to distribute a total of \$9.58 million in purses.

Both at “home” and “on the road” our horses earned well for their connections, with a total of 19 bankrolling more than \$100,000 in Sire Stakes action alone. It was another outstanding year for Test of Faith, who picked up right where she left off, winning six straight races including NYSS events. She became a two-time champion of the NYSS final, ending the year with earnings of \$1,069,739, making her the second richest 3-year old Standardbred in North America this year regardless of gait. \$178,850 of Test of Faith’s purse earnings this year came from competing in the NYSS. Another notable name to mention is Ahundreddollarbill who had a spectacular turnaround that saw him develop into one of the top trotters not only in New York, but nationwide. Freshman trotter Joviality S became the second richest 2-year-old trotter in North America, with \$184,783 of her total of \$895,341 coming from wins in NYSS competition. Check out our recap story by Tim Bojarski on page 73.

Inside this book you will find 38 stallions, 10 new in 2022. In an effort to publish this directory earlier than in recent years, we are doing so before the stallion registration deadline. Any stallions that are registered after publication will be placed in a supplement that will be mailed to you and included in the online version of this Directory. Breeders who choose New York not only have the backing of a strong state-bred program when marketing their yearlings (check out prices on page 98), but those with resident mares have the potential for Breeders Award earnings when their youngsters perform well on the track. See the full guidelines for residency on page 13.

Enjoy exploring all New York has to offer and we wish you all the best in your breeding and racing endeavors this year. If we can be helpful in any way, please don’t hesitate to reach out. Looking forward to seeing you at the track this summer!

BREEDERS AWARDS GUIDELINES 2021

BREEDERS AWARDS

The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based award. Only breeders of horses finishing in positions 1 through 5 in the NYSS racing program will benefit from the Breeders Awards program. Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

ELIGIBILITY FOR Breeders AWARD

It shall be the breeder's responsibility to ensure accurate records are maintained and filed with the Fund for all broodmares. Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. The recipient of any Breeders Award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into Sire Stakes events in order for a Breeders Award to be paid.

Each year, mare owners are responsible for filing a "Residency Declaration/Arrival Form—Form A" when a mare enters the state, or at the beginning of the year if she is a year-round resident, and a "Mare Departure/180-Day Declaration of Residency Form—Form B" when the mare leaves the state, or at the end of the year if she is a year-round resident. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

PAYMENT OF Breeders AWARDS

Breeders Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

SPECIAL MARE SITUATIONS

EMBRYO TRANSFER MARES—TRANSFERRING RESIDENCY

Residency can begin on the date the donor mare enters the state and may be transferred to the recipient mare after a request in writing is submitted and approved by the Fund. Approval will be based on verification that the New York residency period of the donor and recipient mare is overlapping such that the requirement of a contiguous 180 days of residency within New York State is met. In addition, the following applies:

- The embryo flush from the donor mare must occur in New York State. Means of identifying the recipient mare must be provided to the Fund so inspection may be made.
- All residency forms for the donor and recipient mare must be submitted as regularly required by the Fund, including arrival and departure forms for each mare.
- Donor mare must be bred in New York State to a New York-registered stallion and follow all rules and conditions of eligibility.

LEAVE OF ABSENCE FOR PUBLIC AUCTION

An in-foal broodmare may, upon written request to the Fund and proof of consignment into a public auction, be granted permission for a "leave of absence" to leave the state for a bloodstock sale. If returned to the state in compliance with these leave of absence guidelines, she will be able to maintain her residency status for the year if all other residency requirements are met.

Once granted approval, the mare may leave New York up to five days before the commencement of the sale and stay for the duration of the sale, but must return to New York State within five days of the conclusion of the sale. All applicable forms for departure and arrival of the mare must be filed with the Fund.

AWARDS FAQ

What is the NYSS Breeders Awards Program?

The Breeders Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program. Breeders Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

AWARDS FAQ

Who is eligible to receive a Breeders Award?

Eligible recipients of a Breeders Award are individuals or entities who have bred a mare who resided in New York State for at least 180 consecutive days during the breeding year and whose progeny race in at least one New York Sire Stakes program event as a 2- or 3-year-old and finish in positions one through five. The 180-day period must be met within the calendar year and be inclusive of conception. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

Do I have to fill out a special form to be eligible for a Breeders Award?

If you wish to be eligible for a Breeders Award, you will be required to fill out a "Residency Declaration/Arrival Form—Form A" and a "Mare Departure/180-Day Declaration of Residency Form—Form B" to certify your mare was a New York State resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within New York State, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Mare owners wishing to receive special permissions from the Fund under the provisions for embryo transfer or leave of absence for public auction should contact the Fund as soon as plans for an embryo transfer are made or upon consignment into a public auction, respectively. The mare owner is responsible for getting approval from the Fund before proceeding and submitting forms each time a mare enters and leaves the state.

AWARDS FAQ

Is there a timeframe for when the forms are due to the Fund?

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program.

The Residency Declaration/Arrival Form—Form A must be mailed or faxed to the Fund with a postmark or fax date within 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form—Form B must be mailed or faxed to the Fund with a postmark within 30 days of departure. These forms cannot be postdated. If the mare is in the state for more than 180 days, her paperwork should reflect the actual dates of her residency, not just the required number of days. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of an emergency leave and return.

I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form—Form A when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form—Form B to certify that your mare was a resident in New York State for the continuous 180-day period, even if she is in New York year-round. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

2021 RACING REVIEW

New York Sire Stakes, has drawn owners from across the industry to invest in the exceptional New York yearlings that go to auction each year.

NEW YORK CONTINUES TO PRODUCE AWARD WINNING STANDARDBREDS

BY TIM BOJARSKI

New York-bred Standardbreds are coming off one their best years ever with several horses topping North American leader lists and some ending their year with national award aspirations. But the success these horses have had should be no surprise as the outstanding breeding program in the state combined with the earnings opportunities provided by the New York Sire Stakes, has drawn owners from across the industry to invest in the exceptional New York yearlings that go to auction each year.

Here are some of the best race horses that represented the state on the track this year.

Test Of Faith (Art Major-Cannae Cammie 1:48.3, \$1,569,739) sits atop the final Hambletonian/Breeders Crown Top-10 poll and is one of the favorites for the 2021 Dan Patch Trophy for both 3-year-old pacing filly of the year and overall horse of the year.

At two, Test Of Faith won eight of nine races and made exactly one half million dollars after becoming a NYSS champion. But she was just getting started. This year Test Of Faith picked up right where she left off, winning six straight races including NYSS events and the \$200,000 Park MGM pace. Then after finishing second by only a neck in the Geers stake, she won four more races including the \$214,000 Empire Breeders Classic, the \$200,000 NYSS final (to become a two-time champion) and an elimination of the \$253,800 Jugette before finishing second by only one-half length in that final.

Test Of Faith then rattled off five more Grand Circuit wins including a \$600,000 Breeders Crown championship and ended the year with earnings of \$1,069,739 million, making her the second richest 3-year-old Standardbred in North America this year regardless of gait. Her 14 wins also made her the second winningest in North America and a lifetime

mark of 1:48.3 made her the second fastest 3-year-old pacing filly. \$178,850 of Test Of Faith's purse earnings this year came from competing in the NYSS.

After winning three NYSS legs and the \$200,000 final this year, freshman trotter Joviality S (Chapter Seven-Pasithea Face S 1:52.1, \$895,341) hit the Grand Circuit and won the \$200,000 Kentuckiana, \$479,450 Goldsmith Maid -- where she took her lifetime mark of 1:52.1 -- and the \$600,000 Breeders Crown from an impossible post 10 start over a sloppy track. At the end of her first year of racing, Joviality S won nine of 12 starts and earned \$895,341 for her efforts which made her the second richest 2-year-old trotter in North America. \$184,783 of that total was won in NYSS competition.

Ahundreddollarbill (Chapter Seven-Swinging Royalty 1:52, \$703,965) had an inauspicious start to his career. In only six starts at two last year, he made more breaks than he had wins. But his maturity and growth between his freshman and sophomore seasons provided a spectacular turnaround that saw him develop into one of the top trotters not only in New York, but nationwide.

Early this year Ahundreddollarbill won the \$205,500 Empire Breeders Classic, an elimination of the Yonkers Trot and four legs of the NYSS. Unfortunately, he reported sick in the NYSS final and was scratched. However his very next start was a victory in the \$479,135 Canadian Trotting Classic in a lifetime best 1:52. For the year, Ahundreddollarbill won a total of eight races and \$633,853 in purses which made him the fourth richest 3-year-old trotter in North America.

Atlanta

2021 RACING REVIEW

Atlanta is an ageless wonder.

Having just completed her fifth year of racing, the 6-year-old trotting mare is better than ever and proved it once again on the track.

Iteration (Chapter Seven-Steamy Windows 1:53.1, \$780,818) had a stellar freshman year, winning five races and the NYSS final in the process. When she returned to the track this year at three, she came back just as good. Iteration won the \$102,500 Empire Breeders Classic, \$150,000 New York New York Mile, and finished second in the \$500,000 Hambletonian Oaks behind millionaire Bella Bellini. She also became a two-time state champion after taking her second NYSS final. Later in the year she finished only 2-1/2 lengths back in the \$351,000 Kentucky Filly Futurity and was race timed in 1:51.1. And although qualifying for her second Breeders Crown, she made an unfortunate break and was unplaced. At the end of 2021, Iteration had won five races and \$465,809 in earnings, placing her seventh richest among all 3-year-old trotters in North America. \$169,900 of those earnings were won in New York.

Atlanta (Chapter Seven-Hemi Blue Chip 1:49, \$3,100,602) is an ageless wonder. Having just completed her fifth year of racing, the 6-year-old trotting mare is better than ever and proved it once again on the track.

Aside from her six wins and \$440,949 in earnings this year, Atlanta -- who at three was the 2018 Hambletonian champion -- showed the best speed of her career. After winning the \$156,000 Joie De Vie and \$187,400 Steele Memorial, she also won the \$81,000 Allerage Trot by 3-3/4 lengths in 1:49. That mile was the fastest ever by a female trotter, tying the world record established by Manchego in 2019. Two starts later, Atlanta finished second after being parked most of the mile in the \$300,000 Breeders Crown, but her earnings from that start pushed her over the \$3 million dollar mark lifetime, putting her in elite company with the likes of the legendary trotting mares Moni Maker, Bee A Magician, Manchego and Hannelore Hanover.

It's interesting to note that a New York-bred yearling full sister to Atlanta named In Italian (Chapter Seven-Hemi Blue Chip) sold for a sale topping \$750,000 at the Harrisburg sale in November of 2021.

All these good race horses are a result of the stellar collection of stallions standing in New York. Chapter Seven is the number one trotting stallion in North America this year for money earned by his 3-year-old offspring with over \$4 million bankrolled and he also ranks second for purse earnings by his 2-year-old crop (\$3,035,973). On the pacing side American Ideal ranks fourth in North America for 3-year-old earnings that total \$3,532,430 and the first-year standing Huntsville, had an outstanding year ranking fifth in North America for 2-year-old earnings with \$1,894,972.

Whether you plan on racing in-state or have Grand Circuit aspirations, New York bred horses continue to prove to be the best money can buy with consistent success at the highest levels in the sport, no matter where they race.

All other payments must be made as regularly required. A 2-year-old which makes the May 15, 2021 nomination payment, but fails to make the first sustaining payment to New York Sire Stakes (NYSS) No. 62 may regain eligibility for the 3-year-old season by payment of a penalty of \$1,100 providing such payment is made on or before April 15, 2022. Such horse will not be eligible to participate in NYSS No. 62 2-year-old events, but will be eligible to participate in NYSS No. 62 3-year-old events, provided that all payments to those events are made in a timely manner. All supplementary payments will be allocated as provided for in the case of regular continuation payments.

Yearling Eligibility:

Each eligible must satisfy the following requirements:

- (1) Sired by an eligible stallion (see Stallion Eligibility) registered to the Fund and standing in New York for the full season of service during which the dam was bred to produce such colt or filly.
- (2) The owner of the dam need not be a resident of New York State and foaling need not be in New York State.
- (3) Proof of registration by the USTA, or by a USTA recognized Standardbred registry organization dated on or before the time of nomination must accompany each nomination.

The only exception will be in the case of same birth twins. To be eligible, a twin status must be indicated on the USTA registration certificates for the individuals in question.

Stallion Eligibility:

Eligible Stallions are those stallions:

- (1) Owned by a resident of New York State and standing the entire stud season in New York State, or

- (1) All 2- and 3-year-old staking fees available each year will be divided equally among all scheduled events, and will be added to the purses and distributed as follows:
 - (a) the 2- and 3-year-old February 15 fees will be divided equally between trot and pace divisions for colts and equally between trot and pace divisions for fillies.
 - (b) the 2- and 3-year-old April 15 payment will follow the horse by sex and gait.
- (2) New York Sire Stakes Fund monies will be divided each year in accordance with ratios established by the Fund.

Racing Conditions:

- (1) Each race to be held in one dash at one mile.
- (2) A NYSS final or consolation race, if scheduled, for 2- and 3-year-olds who participated in NYSS No. 62. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 62 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation).

NEW YORK SIRE STAKES NO. 62

FOALS OF 2020

Recalls – recalls in a NYSS race would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word “go” is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.

- (3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts (two or more starts if five or fewer legs scheduled), on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.
- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 62, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs (at least two legs if five or fewer legs scheduled) to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts (at least two starts if five or fewer legs scheduled) to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund’s discretion. There shall be no consolation race scheduled if less than 4 horses are entered.
- (7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.
- (8) No horse is eligible to declare in a NYSS event unless it meets the following:
 - (a) at least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks 7/8 mile or larger Tracks
 PACERS 2 YO 2:03 PACERS 2 YO 2:01
 3 YO 2:00 3 YO 1:58
 TROTTERS 2 YO 2:07 TROTTERS 2 YO 2:05
 3 YO 2:05 3 YO 2:03

Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Charted track allowances may be used to meet the time standards.

- b) and, the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.
 - (9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least 30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.
 - (10) Race Day Testing: All horses competing in any NYSS No. 62 event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund.
- When a horse tests positive for an impermissible substance and/or the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:
- (a) Said horse shall be disqualified from any purse winnings in the race in question and said purse monies shall be redistributed.
 - (b) Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation.
 - (c) Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty.

The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.

NEW YORK SIRE STAKES NO. 62

FOALS OF 2020

(11) Out-of-Competition Testing: Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purpose of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(12) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Fund within 10 days upon receipt of the notice that they demand a hearing. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 1 Broadway Center, Schenectady, New York 12305.

(13) Cancellation: Should circumstances prevent the racing of any Sire Stakes event, the monies and points will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start.

Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation races, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(14) All questions of ELIGIBILITY will be decided by the Fund and the NYSGC.

15) When an owner has outstanding debts owed to any track or the Fund, every horse owned in whole or part by that owner may be subject to be declared ineligible by the Fund or any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stakes Race, including County Fair Races, until such time that debt and all fees are collected.

(16) If an owner or trainer has a horse eligible to an Excelsior Series Final and also any NYSS final or consolation or County Fair final, then the owner or trainer must choose which final to declare into. A horse may only race in one final event. If the horse is scratched from a final or consolation, it will be ineligible to enter in another final event. If a horse declares into a final event and is not selected or the race does not fill, it may declare into another final event that has not yet been drawn.
