BREEDERS AWARDS

The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based awards. Road Only breeders of horses finishing in positions 1 through 5 in the NYSS racing program will benefit from the Breeders Awards program. Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

ELIGIBILITY FOR Breeders AWARD

It shall be the breeder's responsibility to ensure accurate records are maintained and filed with the Fund for all broodmares. Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. The recipient of any Breeders Award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into Sire Stakes events in order for a Breeders Award to be paid.

Each year, mare owners are responsible for filing a "Residency Declaration/Arrival Form—Form A" when a mare enters the state, or at the beginning of the year if she is a year-round resident, and a "Mare Departure/180-Day Declaration of Residency Form—Form B" when the mare leaves the state, or at the end of the year if she is a year-round resident. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

PAYMENT OF Breeders AWARDS

Breeders Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

SPECIAL MARE SITUATIONS

EMBRYO TRANSFER MARES—TRANSFERRING RESIDENCY

Residency can begin on the date the donor mare enters the state and may be transferred to the recipient mare after a request in writing is submitted and approved by the Fund. Approval will be based on verification that the New York residency period of the donor and recipient mare is overlapping such that the requirement of a contiguous 180 days of residency within New York State is met. In addition, the following applies:

- a. The embryo flush from the donor mare must occur in New York State. Means of identifying the recipient mare must be provided to the Fund so inspection may be made.
- b. All residency forms for the donor and recipient mare must be submitted as regularly required by the Fund, including arrival and departure forms for each mare.
- c. Donor mare must be bred in New York State to a New York-registered stallion and follow all rules and conditions of eligibility.

LEAVE OF ABSENCE FOR PUBLIC AUCTION

An in-foal broodmare may, upon written request to the Fund and proof of consignment into a public auction, be granted permission for a "leave of absence" to leave the state for a bloodstock sale. If returned to the state in compliance with these leave of absence guidelines, she will be able to maintain her residency status for the year if all other residency requirements are met.

Once granted approval, the mare may leave New York up to five days before the commencement of the sale and stay for the duration of the sale, but must return to New York State within five days of the conclusion of the sale. All applicable forms for departure and arrival of the mare must be filed with the Fund.

AWARDS FAQ

What is the NYSS Breeders Awards Program?

The Breeders Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program. Breeders Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

AWARDS FAQ

Who is eligible to receive a Breeders Award?

Eligible recipients of a Breeders Award are individuals or entities who have bred a mare who resided in New York State for at least 180 consecutive days during the breeding year and whose progeny race in at least one New York Sire Stakes program event as a 2- or 3-year-old and finish in positions one through five. The 180-day period must be met within the calendar year and be inclusive of conception. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

Do I have to fill out a special form to be eligible for a Breeders Award?

If you wish to be eligible for a Breeders Award, you will be required to fill out a "Residency Declaration/Arrival Form—Form A" and a "Mare Departure/180-Day Declaration of Residency Form—Form B" to certify your mare was a New York State resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within New York State, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Mare owners wishing to receive special permissions from the Fund under the provisions for embryo transfer or leave of absence for public auction should contact the Fund as soon as plans for an embryo transfer are made or upon consignment into a public auction, respectively. The mare owner is responsible for getting approval from the Fund before proceeding and submitting forms each time a mare enters and leaves the state.

AWARDS FAQ

Is there a timeframe for when the forms are due to the Fund?

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program.

The Residency Declaration/Arrival Form—Form A must be mailed or faxed to the Fund with a postmark or fax date within 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form—Form B must be mailed or faxed to the Fund with a postmark within 30 days of departure. These forms cannot be postdated. If the mare is in the state for more than 180 days, her paperwork should reflect the actual dates of her residency, not just the required number of days. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of an emergency leave and return.

I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form—Form A when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form—Form B to certify that your mare was a resident in New York State for the continuous 180-day period, even if she is in New York year-round. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

2023 RACING REVIEW

Twin B Joe Fresh surpasses \$1 million in earnings as star of the 2023 Empire State class

Twin B Joe Fresh

Chapercraz

Kilmister

BY TIM BOJARSKI

Standardbreds sired by New York State stallions experienced another great year on tracks across North America by excelling in both stake and overnight events while also placing high on year-end performance lists.

This year's crop of 2 and 3-year-olds yielded a number of notable horses led by second year pacer Twin B Joe Fresh.

Twin B Joe Fresh (Roll With Joe-Fresh Breeze 1:48.2, \$1,440,203) completed her 2022 freshman campaign as the fastest (1:48.4) and third richest (\$598,162) 2-year-old pacer regardless of gender in North America and there was no sophomore jinx for this pacing phenom in 2023 as she came back to go faster and earn more.

Twin B Joe Fresh won her only two starts in the New York Sire Stakes before moving on to a full dance card on the Grand Circuit. There she won the \$250,000 Lynch Memorial at Pocono Downs, \$107,000 Empire Breeders Classic at Tioga Downs, \$400,000 final of the Kentucky Sire Stakes and \$115,000 Glen Garnsey at The Red Mile, \$117,550 Matron Stake at Dover Downs and \$175,000 Fan Duel at the Meadowlands.

By the end of the year, Twin B Joe Fresh had set a new lifetime mark of 1:48.2 and put away \$842,041 in purses, making her New York's newest millionaire. Her 1:48.2 mile tied her as the third fastest 3-year-old female pacer and her earnings made her the richest 3-year-old female pacer and third richest overall pacer in North America, behind her male counterparts Confederate and It's My Show.

On the trot, second year performers Chapercraz and Kilmister found themselves the second and third highest money-winning 3-year-olds as they both stepped up their game from last year.

Chapercraz (Crazy Wow-Chaperess 1:53.4, \$479,384) only had one start at two but came on like gangbusters in his second season. After finishing second in the \$300,000 MGM Trot at Yonkers Raceway and \$350,000 Zweig Memorial at

Vernon Downs, Chapercraz won three legs of the NYSS and the \$225,000 final, making him the highest 3-year-old male trotting money-earner in the NYSS last year (\$256,690). He then closed out his year with a stellar effort, finishing fifth by only 3-1/4 lengths in the \$488,400 Canadian Trotting Derby at Woodbine/Mohawk Park after starting from post 10 and being parked-out the entire mile.

Chapercraz finished the year as the seventh richest (\$474,662) 3-year-old male trotter in North America.

Kilmister (Chapter Seven-Treviso 1:50.3, \$832,359) had an outstanding freshman campaign, but outdid himself in 2024. He won the \$95,771 Empire Breeders Classic at Vernon Downs, \$50,000 Muscle Hill at the Meadowlands and the \$78,000 Bluegrass Stake at The Red Mile. But he also earned major portions of large purses by finishing second in the \$300,000 Beal Memorial at Pocono, second in the \$400,000 final of the Kentucky Sire Stakes and fourth in the \$450,000 Kentucky Futurity at The Red Mile, only 1-1/4 lengths behind the Dan Patch Award winning 3-year-old trotter of the year, Tactical Approach.

Kilmister's efforts found him tied as the third fastest (1:50.3) and ninth richest (\$418,238) 3-year-old male trotter in North America.

Other 3-year-olds to note include Huntinthelastdollar (Huntsville-Eighthunrdolarbill 1:49.2, \$489,393) who was the top money-earning (\$230,966) 3-year-old male pacer in the NYSS, Earthwindfire (American Ideal-Road Bet 1:50.4, \$629,915) who finished as the top earning (\$204,166) 3-year-old filly pacer in the NYSS and Dame (Dude's The Man-Seat By The Window 1:52.2, \$486,407) who won both the \$225,000 NYSS final for 3-year-old filly pacers and the \$150,000 final of the Massachusetts Sire Stakes after sweeping all three preliminary legs. The crop of New York-bred 2-year-olds was another outstanding group whose numbers ranked highly

among their peers across North America. That group was led by pacer Boston Rocks and trotter R Melina.

Boston Rocks (Boston Red Rocks-Scirocco Sarah 1:54.1, \$352,922) never missed the board in the NYSS, winning three legs with three seconds and a third before taking the \$225,000 final, earning him 302,862 from state starts alone. He then went on to finish second by a neck in back-to-back stakes in the \$87,000 Bluegrass Stake and \$71,000 International Stallion Stake at The Red Mile. He then finished third in the Breeders Crown elimination and was eventually sixth in that \$600,000 final.

Boston Rocks finished the year as the sixth richest (\$352,922) 2-year-old male pacer in North America.

Fellow freshman pacer Legendary Hanover (Huntsville-Lillian Hanover 1:50, \$303,114) only had nine starts in 2023 but made them all count. After winning six straight races at Woodbine/Mohawk Park that included five Ontario stakes, Legendary Hanover finished second in the \$717,800 Metro Stake and second in his elimination of the Breeders Crown at Hoosier. In the \$700,000 final, he was parked out in a fast quarter and half and faded late in a valiant effort.

Legendary Hanover's mark of 1:50 tied him as the fourth fastest 2-year-old pacing colt and the eighth richest (\$303,114) in North America.

Turning to the trot, R Melina (Chapter Seven-Goodtogo Hanover 1:53.1, \$374,405) registered three wins in the NYSS before making an untimely break in the final. But she made her way to the Grand Circuit after that and bounced back sharply. She went on to win the \$266,000 Kentuckiana Stallion Stake at Hoosier Park, the \$138,000 Matron Stake at Dover and her elimination of the Goldsmith Maid at the Meadowlands before finishing third, beaten only 1-1/4 lengths in that \$428,000 final.

R Melina finished the year as the third fastest (1:53.1) and third richest (\$374,405) 2-year-old trotting filly in North America.

Another freshman trotting filly who made headlines was Date Night Hanover (Chapter Seven-Don't Wait Up 1:53.4, \$309,245). She won two early NYSS events before shipping to Kentucky for summer stake action. There she won a leg of the KYSS and the \$400,000 final before garnering checks in the \$86,000 Bluegrass Stake and the \$86,500 International Stallion Stake. She also finished third in her elimination of the Breeders Crown, but made a break in the \$700,000 final.

Date Night Hanover ended 2023 as the sixth highest money-earning (\$309,245) 2-year-old trotting filly in North America.

Trotting colt Keep Asking (Chapter Seven-Sensibility 1:54, \$283,813) won two divisions of the NYSS but experienced bad luck in the final as he was parked out from post eight for more than half a mile and finished eighth, although only beaten

three lengths. But Keep Asking moved to Massachusetts to end his season and ran off three consecutive wins in the MASS before winning the \$150,000 final. Those victories pushed his earnings for the year to \$283,813 and made him the fifth richest 2-year-old trotting colt in North America for 2023.

There were also six great examples of the longevity of the New York-sired Standardbreds as six aged millionaires from the Empire State were still competing long after their stake eligibility had expired.

The 8-year-old pacing gelding Covered Bridge (American Ideal-Stonebridge Kisses 1:48.3, \$1,135,855) had the best year of his life in 2023 as he won 18 races and \$528,925 in purses competing against the best Open pacers in North America.

7-year-old Racine Bell (So Surreal-Ty's Artist 1:47.2, \$1,164,749) continued to face the top Open pacing mares around and added nine more wins -- her second best yearly total ever -- and \$211,353 in purses.

The venerable 13-year-old JL Cruze (Crazed-Topcat Hall 1:49.4, \$1,897,476) just kept going and won 11 more races in 2023, making it the second winningest season of his career.

That list also includes 9-year-old American History (American Ideal-Perfect Touch 1:47, \$1,561,817), 11-year-old Dayson (Conway Hall-Nervey's Taurus 1:51.2, \$1,373,299) and 8-year-old American Mercury (American Ideal-Tessa Hanover 1:49.3, \$1,071,280).

New York's top stallions for both gaits put up big numbers again in 2023. The state leader on the trot was Chapter Seven, who had 64 3-year-old starters earn \$4,524,069 and 70 2-year-olds make \$3,403,400. That placed him second for earnings among all trotting stallions in North America. His 224 combined all-age starters in 2023 earned a total of \$11,165,062.

On the pace, Huntsville saw 91 of his 3-year-old starters earn \$4,748,151 and 72 2-year-olds make \$1,888,189 putting him fifth among his North American peers for money banked at the end of the year. His 241 all-age starters earned a combined \$10,132,810.

American Ideal had 95 2-year-olds earn \$2,989,789 and 63 2-year-olds earn \$1,289,462, but his 241 all-age starters earned a combined \$16,627,866, ranking him fourth overall among all pacing stallions in North America.

New York stallions have led the way by consistently producing solid stake winners year after year who compete at the highest levels both in the state and across the country. And with purses increasing each year, their offspring continue to draw owners who invest in New York and keep harness racing strong and viable in the state.

Nomination Fee:

May 15, 2023 \$50

Future Sire Stakes Payments:

As 2-year-olds

February 15, 2023 \$200

April 15, 2023 (Specify Gait) \$350

As 3-year-olds

February 15, 2024 \$250

April 15, 2024 (Specify Gait) \$450

Declaration Fee:

In all events at each track is two percent (2%) of the total amount of the purse raced for, increased upwards to the nearest multiple of \$100. All declaration fees will be added to the event to which declared. Starters declare in at each track at the time that is the practice for overnight events at that track. The declaration fee for each final event is to be announced. There will be no refunds for horses scratched from any Sire Stakes event.

Supplementary Entries:

May be made to this stake on foals of 2021 upon payment of \$500 by February 15, 2024, in lieu of the May 15, 2022 nomination fee of \$50. If the regular February 15, 2024 payment is made on time, but the horse was not nominated as a yearling, the Fund may, at its discretion, accept the supplementary fee upon notification of the individual making the payment. All other payments must be made as regularly required. A 2-year-old which makes the May 15, 2022 nomination payment, but fails to make the first sustaining payment to New York Sire Stakes (NYSS) No. 63 may regain eligibility for the 3-year-old season by payment of a penalty of \$1,100 providing such payment is made on or before April 15, 2024. Such horse will not be eligible to participate in NYSS No. 63 2-year-old events, but will be eligible to participate in NYSS No. 63 3-year-old events, provided that all payments to those events are made in a timely manner. All supplementary payments will be allocated as provided for in the case of regular continuation payments.

Yearling Eligibility:

Each eligible must satisfy the following requirements:

- (1) Sired by an eligible stallion (see Stallion Eligibility) registered to the Fund and standing in New York for the full season of service during which the dam was bred to produce such colt or filly.
- (2) The owner of the dam need not be a resident of New York State and foaling need not be in New York State.
- (3) Proof of registration by the USTA, or by a USTA recognized Standardbred registry organization dated on or before the time of nomination must accompany each nomination.
- (4) The foal of any mare which is inseminated by semen transported outside of New York State will be ineligible for nomination to any New York- bred events.

- (5) For a foal to be nominated to these New York events, it must be the first foal born to the dam for the given year, and its sire must be a New York eligible stallion. The only exception will be in the case of same birth twins. To be eligible, a twin status must be indicated on the USTA registration certificates for the individuals in question.

Stallion Eligibility:

Eligible Stallions are those stallions:

- (1) Owned by a resident of New York State and standing the entire stud season in New York State, or
- (2) Owned by a resident of a state other than New York but standing the entire stud season in New York State and leased (copy of lease must be filed with the Fund) by a resident of New York State for a term of not less than one year, or
- (3) Owned jointly by a resident or residents of a state other than New York State together with a resident or residents of New York State and standing the entire stud season in New York State with the same leasing requirements as (2).
- (4) To be eligible, a stallion must be registered with the Fund no later than January 1, of the year he will stand stud.

Future Eligibility:

The February 15, 2024 payment must be made to race in 2024 or future years. The April 15, 2024 payment must be made to race as a 2-year-old in Sire Stakes. The February and April 2024 payments must be made to race as a 3-year-old in Sire Stakes.

Payment Distribution:

Fifty dollars from each nomination fee and thirty dollars from each 2- and 3-year-old payment will be retained to defray a portion of the expenses for managing, advertising, promoting and publicizing these New York-bred harness horse races.

- (1) All 2- and 3-year-old staking fees available each year will be divided equally among all scheduled events, and will be added to the purses and distributed as follows:
 - (a) the 2- and 3-year-old February 15 fees will be divided equally between trot and pace divisions for colts and equally between trot and pace divisions for fillies.
 - (b) the 2- and 3-year-old April 15 payment will follow the horse by sex and gait.
- (2) New York Sire Stakes Fund monies will be divided each year in accordance with ratios established by the Fund.

Racing Conditions:

- (1) Each race to be held in one dash at one mile.
- (2) A NYSS final or consolation race, if scheduled, for 2- and 3-year-olds who participated in NYSS No. 63. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 63 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation). Recalls – recalls in a NYSS

NEW YORK SIRE STAKES NO. 63

FOR 2- AND 3-YEAR-OLD PACERS & TROTTERS

Recalls – recalls in a NYSS race would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word “go” is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.

- (3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts (two or more starts if five or fewer legs scheduled), on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.
- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 62, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs (at least two legs if five or fewer legs scheduled) to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts (at least two starts if five or fewer legs scheduled) to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund’s discretion. There shall be no consolation race scheduled if less than 4 horses are entered.
- (7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.
- (8) No horse is eligible to declare in a NYSS event unless it meets the following:

(a) at least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks	7/8 mile or larger Tracks
PACERS 2 YO 2:03	PACERS 2 YO 2:01
3 YO 2:00	3 YO 1:58
TROTTERS 2 YO 2:07	TROTTERS 2 YO 2:05
3 YO 2:05	3 YO 2:03

Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Charted track allowances may be used to meet the time standards.

- b) and, the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.
- (9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least 30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.
- (10) Race Day Testing: All horses competing in any NYSS No. 62 event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the “Commission” in that rule shall be considered references to the Fund.

When a horse tests positive for an impermissible substance and/or the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:

 - (a) Said horse shall be disqualified from any purse winnings in the race in question and said purse monies shall be redistributed.

Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 230 Washington Ave Extension, Albany, NY 12203.

The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start.
