Message from the New York Sires Stakes

On behalf of the Trustees of the Agriculture and New York State Horse Breeding Development Fund, I am pleased to present the 2026 Stallion Directory and highlight the many benefits of choosing to breed in New York State.

We sincerely thank you for your continued support and contributions. New York-bred Standardbreds are coming off another successful season, with multiple horses topping North American leaderboards and others earning national award recognition. This success reflects the strength of New York's breeding program and the lucrative opportunities provided through the New York Sire Stakes, which continue to attract leading owners and breeders to the outstanding New York-bred yearlings offered at auction each year.

In 2025, the program distributed an impressive \$14.4 million in purses and more than \$1.75 million in Breeder Awards. We also introduced a new stakes series for 2-year-olds, the Big Apple Trot and Pace, which will continue through the 2026 season, further demonstrating our ongoing commitment to growth and excellence.

New York-breds excelled both "at home" and "on the road" this past year. Thirty-one horses earned more than \$100,000 in Sire Stakes competition alone, led by My Debt Collector, who amassed over \$430,000 in earnings. For additional highlights from this outstanding season, we encourage you to read Tim Bojarski's recap on page 66.

This year's directory features 30 stallions, including 10 exciting new additions for 2026. Breeders who choose New York benefit from a long established state-bred program that enhances the marketability of their yearlings, as well as the opportunity for Breeder Award earnings when resident-mare foals succeed on the track. Be sure to review the full residency guidelines on page 16 to ensure you are maximizing these benefits.

We would also like to extend our heartfelt congratulations to our Executive Director, Ralph Scunziano, recipient of the 2025 Excelsior Award from the Monticello-Goshen USHWA Chapter.

We invite you to explore all that New York's breeding program has to offer and wish you the very best in your breeding and racing endeavors this year. Should you need any assistance, please do not hesitate to reach out. We look forward to seeing you at the track this summer.

BREEDERS AWARDS GUIDELINES 2026

BREEDERS AWARDS

The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based awards. Road Only breeders of horses finishing in positions 1 through 5 in the NYSS racing program will benefit from the Breeders Awards program. Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

ELIGIBILITY FOR BREEDERS AWARD

It shall be the breeder's responsibility to ensure accurate records are maintained and filed with the Fund for all broodmares. Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. The recipient of any Breeders Award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into Sire Stakes events in order for a Breeders Award to be paid.

Each year, mare owners are responsible for filing a "Residency Declaration/Arrival Form—Form A" when a mare enters the state, or at the beginning of the year if she is a year-round resident, and a "Mare Departure/180-Day Declaration of Residency Form—Form B" when the mare leaves the state, or at the end of the year if she is a year-round resident. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

PAYMENT OF BREEDERS AWARDS

Breeders Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

SPECIAL MARE SITUATIONS

EMBRYO TRANSFER MARES—TRANSFERRING RESIDENCY

Residency can begin on the date the donor mare enters the state and may be transferred to the recipient mare after a request in writing is submitted and approved by the Fund. Approval will be based on verification that the New York residency period of the donor and recipient mare is overlapping such that the requirement of a contiguous 180 days of residency within New York State is met. In addition, the following applies:

- The embryo flush from the donor mare must occur in New York State. Means of identifying the recipient mare must be provided to the Fund so inspection may be made.
- All residency forms for the donor and recipient mare must be submitted as regularly required by the Fund, including arrival and departure forms for each mare.
- Donor mare must be bred in New York State to a New York-registered stallion and follow all rules and conditions of eligibility.

LEAVE OF ABSENCE FOR PUBLIC AUCTION

An in-foal broodmare may, upon written request to the Fund and proof of consignment into a public auction, be granted permission for a "leave of absence" to leave the state for a bloodstock sale. If returned to the state in compliance with these leave of absence guidelines, she will be able to maintain her residency status for the year if all other residency requirements are met.

Once granted approval, the mare may leave New York up to five days before the commencement of the sale and stay for the duration of the sale, but must return to New York State within five days of the conclusion of the sale. All applicable forms for departure and arrival of the mare must be filed with the Fund.

AWARDS FAQ

What is the NYSS Breeders Awards Program?

The Breeders Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program. Breeders Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

BREEDERS AWARDS GUIDELINES 2026

AWARDS FAQ

Who is eligible to receive a Breeders Award?

Eligible recipients of a Breeders Award are individuals or entities who have bred a mare who resided in New York State for at least 180 consecutive days during the breeding year and whose progeny race in at least one New York Sire Stakes program event as a 2- or 3-year-old and finish in positions one through five. The 180-day period must be met within the calendar year and be inclusive of conception. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

Do I have to fill out a special form to be eligible for a Breeders Award?

If you wish to be eligible for a Breeders Award, you will be required to fill out a "Residency Declaration/Arrival Form—Form A" and a "Mare Departure/180-Day Declaration of Residency Form—Form B" to certify your mare was a New York State resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within New York State, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Mare owners wishing to receive special permissions from the Fund under the provisions for embryo transfer or leave of absence for public auction should contact the Fund as soon as plans for an embryo transfer are made or upon consignment into a public auction, respectively. The mare owner is responsible for getting approval from the Fund before proceeding and submitting forms each time a mare enters and leaves the state.

AWARDS FAQ

Is there a timeframe for when the forms are due to the Fund?

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program.

The Residency Declaration/Arrival Form—Form A must be mailed or faxed to the Fund with a postmark or fax date within 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form—Form B must be mailed or faxed to the Fund with a postmark within 30 days of departure. These forms cannot be postdated. If the mare is in the state for more than 180 days, her paperwork should reflect the actual dates of her residency, not just the required number of days. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of an emergency leave and return.

I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form—Form A when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form—Form B to certify that your mare was a resident in New York State for the continuous 180-day period, even if she is in New York year-round. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

2025 RACING REVIEW

Super Chapter, Twin B Joe Fresh top 2025 list of New York-bred standouts

BY TIM BOJARSKI

A pair of harness racing elites bred in New York were named recipients of the prestigious Dan Patch Award as a result of outstanding 2025 performances in their respective divisions. This national recognition presented by the United States Harness Writers Association focused the spotlight on Super Chapter and Twin B Joe Fresh, in a year that saw a total of 10 Empire State-bred trotters and pacers earn in excess of \$500,000 each while topping performance lists in many categories.

Super Chapter (Chapter Seven-Lifetime Pursuit, 2025-\$1,236,099, 1:50, LT-\$1,757,359, 1:50) was named the 2025 Dan Patch 3-year-old male trotter after producing outstanding performances and lofty numbers.

Super Chapter was by far the top money-earning 3-year-old trotter after hitting the board in 13 of 14 races with nine victories. The colt's wins included the MGM Yonkers Trot and Earl Beal Jr. Memorial, where his 1:50 clocking at Mohegan Sun Pocono Downs set a world record and made him the fastest 3-year-old trotter ever over a five-eighths-mile track. In addition to his wins, Super Chapter also finished second in the Hambletonian and Breeders Crown.

At the end of the year, Super Chapter was the second highest money earner in North America regardless of age, sex or gait and the highest earning 3-year-old regardless of sex or gait. And his record 1:50 clocking made him the third fastest 3-year-old trotter and eighth fastest trotter overall in 2025.

Super Chapter was bred by Hanover Shoe Farms.

Twin B Joe Fresh (Roll With Joe-Fresh Breeze, 2025-\$526,714, 1:47.3, LT-\$2,862,359, 1:47.3) was named the 2025 Dan Patch Older female pacer of the year, making it the second consecutive year she has won that award. After winning six major stakes last year, Twin B Joe Fresh came back in 2025 and won six of nine starts including the Roses Are Red, Dayton Distaff Derby, Milton, and Dorothy Haughton Memorial stakes.

That made her the richest aged pacing mare in North America and fifth richest aged pacer overall in 2025. The mare's 1:47.4 score in the Milton equaled the fastest mile ever by a female pacer in Canada and her 1:47.3 win at Lexington made her the second fastest older pacing mare in North America for the year.

Twin B Joe Fresh was bred by Brittany Farms.

Dandy Ideal (American Ideal-OK Heavenly, 2025-\$936,782, 1:48, LT-\$1,074,257, 1:48) was the second highest earning New York bred of 2025 and was a standout performer among all 3-year-old pacers in North America last year.

Dandy Ideal won three legs of the New York Sire Stakes as well as the final, while registering the highest points and earnings (150-\$295,550) in his division. But he also won Grand Circuit events including the Hempt, Empire Breeders Classic, Jenna's Beach Boy and Matron. Dandy Ideal also won eliminations of the Breeders Crown and Progress Pace before being narrowly defeated in both finals despite pacing in 1:47.3 and 1:49.4 respectively in those events.

Those efforts made him the eighth highest money earner in North America regardless of age, sex or gait, the third highest earning 3-year-old pacer regardless of sex and the sixth highest earning 3-year-old regardless of sex or gait. And his 1:48 record tied him as the fifth fastest 3-year-old pacer in North America in 2025.

Dandy Ideal was bred by Stephen Dey III and Dandy Farms.

Madden Oaks (Huntsville-Hard Eight, 2025-\$717,335, 1:48, LT-\$733,835, 1:48) was another outstanding 3-year-old pacing star from New York who bounced back from an abbreviated 2-year-old campaign to achieve at the highest levels in his second year on the track.

His first major stake of the season was the North American Cup where he finished second by a head in 1:47.1 to Louprint, who is a front-runner for national horse of the year honors. Madden Oaks followed that effort by winning the Meadowlands Pace in 1:48, which was a new lifetime mark. He then finished second in the Cane Pace, third in the Progress Pace and started in the Breeders Crown final where he was interfered with while making a move at three-quarters.

At the conclusion of 2025, Madden Oaks was the ninth highest earning 3-year-old regardless of sex or gait, seventh highest earning 3-year-old pacer regardless of sex and tied as fifth fastest 3-year-old pacer in North America (1:48).

2025 RACING REVIEW

Madden Oaks

Madden Oaks was bred by The Bay's Stable, Polger Holdings, South Mountain Stables and Mark Mullen.

Two other notable pacers in 2025 were 3-year-old filly The Last Martini and 2-year-old colt Fragment, who were both outstanding performers in the NYSS last year.

The Last Martini (Huntsville-Martinique, 2025-\$652,439, 1:49.2, LT-\$1,163,786, 1:49.2) followed up an outstanding 2-year-old campaign with an even better 3-year-old year. She won three NYSS events before taking the final, making her a two-time NYSS champion, while posting the highest points and earnings (191-\$327,190) in her NYSS division last year. But her biggest accomplishment came in the Breeders Crown, where she finished first in a dead heat with Miki and Minnie, who was named the Dan Patch 3-year-old pacing filly of the year.

The Last Martini finished the year as the 11th highest earning 3-year-old in North America regardless of sex or gait and eighth highest money earning 3-year-old pacer regardless of sex.

The Last Martini was bred by Crawford Farms.

The Last Martini

Fragment

Fragment (Huntsville-The Show Returns, 2025/LT-\$585,906, 1:50) was a five-time 2025 winner in the NYSS and capped off that series with a win in the final. He posted the highest points and earnings (295-\$363,479) in his NYSS division on the way to becoming the 2025 Champion. Then later in the year he was a runaway winner in the finals of the Big Apple and Matron Stakes and did compete in the Breeders Crown, finishing second in his elimination before drawing post 10 in the final where he was beaten only five lengths.

As a result of his strong season, Fragment was the sixth highest earning 2-year-old in North America regardless of sex or gait and third highest earning 2-year-old pacer regardless of sex.

Fragment was bred by Steve Stewart, Black Creek Farm, Michael Dean Robinson and South Mountain Stables.

Although Super Chapter was the standout trotter in the state last year, there was no shortage of talent behind him with first and second year stars shining brightly.

Spencer Hanover (Chapter Seven-Secret Passion, 2025/LT-\$649,899, 1:52.3) started off his 2-year-old campaign a little rocky, but still made the NYSS final where he finished fifth. However he turned things around after that start by winning the Big Apple final and the elimination and final of the Breeders Crown, before closing out his year with a narrow second place finish in the Valley victory.

Those late wins made Spencer Hanover the fifth richest 2-year-old regardless of sex or gait, third richest 2-year-old trotter regardless of sex, fifth fastest 2-year-old male trotter and ninth fastest 2-year-old trotter overall in North America in 2025.

Spencer Hanover was bred by Hanover Shoe Farms.

Nezuko Kamado S (Chapter Seven-Zefira Kronos It, 2025/LT-\$549,064, 1:52.4) is another first-year starter who made a big impact on the sport. She won two NYSS divisions before making an untimely break in that final. But then she went on to win the Kentuckiana final, Big Apple final and elimination of the Breeders Crown before finishing third in that final. She then closed out her year with a second in the Goldsmith Maid.

Nezuko Kamado S ended her season as the eighth richest 2-year-old regardless of sex or gait and fifth richest 2-year-old trotter regardless of sex in North America.

Nezuko Kamado S was bred by Courant.

Finally, My Debt Collector (Chapter Seven-Magic Presto, 2025-\$522,834, 1:54.3, LT-\$766,580, 1:54.3) spent her entire summer competing in every leg of the NYSS where she won six out of seven starts while posting the highest points and earnings totals (312-\$434,135) of any NYSS division last year. She then won the final to cap off the series that helped place her as the third highest earning 3-year-old trotting filly and eighth richest 3-year-old trotter regardless of sex in North America last year.

My Debt Collector was bred by Dave McDuffee, Melvin Hartman and Little E and Herb Liverman.

New York's leading Standardbred stallions also ranked at or near the top among all their peers standing in North America once again.

Chapter Seven hit the trifecta nationally as he was the leading sire of top earning 2-year-olds (\$4,536,747), 3-year-olds (\$6,683,404) and all-aged (\$14,368,777) trotters while Huntsville was the second leading sire of the richest 3-year-olds (\$5,705,045), fourth leading sire of 2-year-olds (\$2,628,896) and fifth leading sire of all-aged pacing performers (\$14,408,692) in 2025.

Results like this combined with the recently enhanced New York Sire Stakes prove once again that the Agriculture and New York State Horse Breeding Development program continues to drive the Standardbred industry both in the state and nationwide, and remains one of the finest of its kind in North America.

- (2) The owner of the dam need not be a resident of New York State and foaling need not be in New York State.
- (3) Proof of registration by the USTA, or by a USTA recognized Standardbred registry organization dated on or before the time of nomination must accompany each nomination.

Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 66 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation). NEW YORK SIRE STAKES NO. 65

FOALS OF 2023

- (3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts, on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.
- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 66, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8's or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund's discretion. There shall be no consolation race scheduled if less than 4 horses are entered.
- (7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.
- (8) No horse is eligible to declare in a NYSS event unless it meets the following:
- at least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:
- | 1/2 and 5/8 mile Tracks | 7/8 mile or larger Tracks |
|-------------------------|---------------------------|
| PACERS 2 YO 2:03 | PACERS 2 YO 2:01 |
| 3 YO 2:00 | 3 YO 1:58 |
| TROTTERS 2 YO 2:07 | TROTTERS 2 YO 2:05 |
| 3 YO 2:05 | 3 YO 2:03 |
- Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Chartist track allowances may be used to meet the time standards, and
- the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break

will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.

- (9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least 30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.
- (10) **Race Day Testing:** All horses competing in any NYSS No. 65 event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund.
- When a horse tests positive for an impermissible substance and/or the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:
- Said horse shall be disqualified from any purse winnings in the race in question and said purse monies shall be redistributed.
 - Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation.
 - Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty. The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.

- (11) **Out-of-Competition Testing:** Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete. Samples shall be

NEW YORK SIRE STAKES NO. 65

FOALS OF 2023

taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purpose of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

(12) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund. Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Fund within 10 days upon receipt of the notice that they demand a hearing. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 230 Washington Ave Extension, Suite 101, Albany, NY 12203.

(13) **Cancellation:** Should circumstances prevent the racing of any Sire Stakes event, the monies and points will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation races, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(14) All questions of ELIGIBILITY will be decided by the Fund and the NYSGC.

(15) When an owner has outstanding debts owed to any track or the Fund, every horse owned in whole or part by that owner may be subject to be declared ineligible by the Fund or any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stakes Race, including County Fair Races, until such time that debt and all fees are collected.

(16) If an owner or trainer has a horse eligible to an Excelsior Series Final and also any NYSS final or consolation or County Fair final, then the owner or trainer must choose which final to declare into. A horse may only race in one final event. If the horse is scratched from a final or consolation, it will be ineligible to enter in another final event. If a horse declares into a final event and is not selected or the race does not fill, it may declare into another final event that has not yet been drawn.

- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 66, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8's or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund's discretion. There shall be no consolation race scheduled if less than 4 horses are entered.
- (7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.
- (8) No horse is eligible to declare in a NYSS event unless it meets the following:

- (a) at least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:

Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Charted track allowances may be used to meet the time standards, and

- (b) the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line
- (9) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. - (10) **Race Day Testing:** All horses competing in any NYSS No. 66 event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund.
- When a horse tests positive for an impermissible substance and/or the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:

Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purpose of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 230 Washington Ave Extension, Suite 101, Albany, NY 12203.

(13) **Cancellation:** Should circumstances prevent the racing of any Sire Stakes event, the monies and points will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation races, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(14) All questions of ELIGIBILITY will be decided by the Fund and the NYSGC.

(15) When an owner has outstanding debts owed to any track or the Fund, every horse owned in whole or part by that owner may be subject to be declared ineligible by the Fund or any track the horse is entered at or subject to be possibly scratched by the judges and not allowed to start in any New York Sire Stakes Race, including County Fair Races, until such time that debt and all fees are collected.

- (24) A horse that has a drug positive for a prohibited substance during any Sire Stakes event, such horse shall be ineligible for any Sire Stakes event final or consolation (Sire Stakes, Excelsior or County Fair series). Eligibility to the finals or consolation race, if scheduled, shall exclude all participants with appeals yet to be decided at the time of declaration to the finals or consolation. In the case of a positive drug test, all appeals will be excluded from eligibility to the finals or consolation, if scheduled, unless they are resolved by adjudication prior to declaration. Any such demand must be made in writing to the Agriculture and New York State Horse Breeding Development Fund and sent either by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 230 Washington Ave Extension, Suite 101, Albany, NY 12203.

- (25) **Cancellation:** Should circumstances prevent the racing of any County Fair Series races, with the exception of the finals, or consolation race (if scheduled), a race or races may be canceled. County Fair races must be held the day advertised with no carryover. The race may not be declared off until the published first post time. The purse money will be prorated among owners of entered horses on the grounds for the uncontested event at the time of declaring off. The money will not be counted as money earned. Each horse on the grounds for the uncontested event at the time of declaring off will be awarded 10 points and the event will count as a start for the County Fair Series final or consolation, if scheduled. Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation, if scheduled, as per the NYSGC Rule 4114.3.

- (28) The Fund will allow counties that do not have a race track at their fair grounds to race county fair races at a horse track that is in its county or any neighboring county. Such county fair organization must request such off-site racing by petitioning the Sire Stakes program before May 1, 2026 by e-mail (info@nysirestakes.com) or mail to the Agriculture and New York State Horse Breeding Development Fund, 230 Washington Ave Extension, Suite 101, Albany, NY 12203 stating the unavailability of a track at their fairgrounds and providing a plan of how the agricultural mission as provided for in Article 3 of the Racing, Pari-Mutuel Wagering and Breeding Law, which provides in part for the Sire Stakes program, will be addressed at such off-site location.

- (29) A fair association may petition the Fund, due to unforeseen events creating unsafe track conditions, to move its racing to another track within the county or, if such track is not available, another fair association's track in an adjacent county. Such petition must be made to the Fund and received in writing from the Association requesting the track transfer stating in detail why racing would not be safe under the current conditions and the alternate track site where such racing will take place. The request must also include the race dates which must be scheduled within 72 hours of the originally scheduled race days. If such track is not located in the Association's County, the Association must also include a letter in support from the adjacent county's fair association noting their acceptance to permit such racing on their fair grounds at the time and date specified.
